

EDE Instudio rehearsal week 2016: Monday May 16th * Tuesday May 17th * Thursday May 19th

(No regular classes will be held Wednesday May 18th – **Tumbling will still be held at regular time 10:00 am – 11:00 am**)

Dancers need to be at as many of the following practices as possible, if not all of them. We understand that they have other commitments, however this is 1 week of practices for their recital that they have worked hard for and these practices are very very important as well as home practicing.

If they will not be here for rehearsal, their teacher needs to be contacted and told.

Dancers should still wear dance clothing appropriate for the classes they are in and bring all shoes.

Do not wear summer clothing, jeans or jean shorts.

Do not wear costumes!!!

Parents: Please, if possible, do not plan to stay during the classes. We will have all teachers present as well as Alyssa and some of the older dancers to help with the little/younger ones. There will be so many dancers there that we would prefer to not have any extras. Dancers can be dropped off about 5 - 10 minutes prior to class (do not bring earlier) and picked up when their session is over. This way, to hopefully help with parking as well. Appreciate it 😊

No regular classes during rehearsal week.

Please have your dancer let Alyssa know in the lobby when they are leaving and who they are leaving with.

Thank You!!!!
